Welcome to the 2020 Hilltoppers Swim Club/Team season. Opening Day: May 23, 2020

(Remember, you must be a member to swim on the team.) **All paid memberships as of March 24, 2020 will receive 5 free passes (\$25 value) to be used in 2020 (to be picked up at the pool after opening day).**

Payment in full received on or before March 24, 2020 will receive a \$25 discount off the family membership and a \$20 discount off the single membership. See registration attached for more details. 10 pass pack will be available for purchase of \$50 per pack.

Family Membership: \$350 (immediate family living in same household, restrictions do apply)
Single Membership: \$200 (single and swim team single)

It takes an army of people to get the pool ready; landscaping, painting, cleaning, concrete work, electrical work and so much more. If you have special skills that might help, please contact me immediately. As a member, you are an owner and as an owner, you are needed to help. We will try to open on May 23rd as long as we have help getting it ready.

All members are expected to attend as many of the following dates as possible. All work days start at 8:30 am.

April 25th May 2nd May 9th May 16th May 22nd

There's so much to do from landscaping, cleaning, painting, etc. and the more people who help, the quicker it gets done. Remember: the pool is not owned by one person, it is owned by its members. As always, children 9 years of age and younger **MUST** be accompanied by an adult. Anyone needing community service hours (i.e., high school students) are encouraged to help out. Please do your share as an owner and plan to help out several hours.

With the devastating loss of Jimmy Cange this year, your presence is needed more now than ever. He has left us in a much better place than where he found us. We are eternally grateful to him for the countless hours he worked on our pool to make it great for all of us. Big shoes and many hours to fill.

If you are unable to help out, please include with your registration an additional cash donation to go towards supplies and other things needed to open. We ask that every family bring two cases of water on work weekends or after opening day to help cover initial snack costs. Cleaning and other supplies are also needed.

Gators (Swim Team)- All swimmers must be a member of the pool (see above fees). Registration fees to swim on the team is \$50 per swimmer. We have increased the fees to enable us to begin paying the coaches and to cover the cost of a much needed new computer.

The pool will close on August 23, 2020. This is a week earlier than last year's closing date and this is due to the fact there were less than eight swimmers in the pool over the course of the final 10 days of the 2019 season. We cannot justify paying out well over \$150 per day in staff, water, electric, chlorine, etc. for the pool to sit there and not be used. We know how busy everyone gets when school starts and it is difficult to find guard coverage, therefore, we will be closing 7 days earlier. This will help keep OUR costs down as members!

If you are unable to attend the Membership Drive party on March 24, 2020 from 5:00 pm – 7:00 pm at The Falls, please mail the attached completed application and a check made payable to Hilltoppers Swim Club to P.O. Box 343, Dupu, IL 62239. Must be postmarked before March 24, 2020 to apply the discount.

Finally, we are revamping the website! Please visit our Facebook page! Please forward this information to family and friends, the more members we have the longer we can keep our dues where they are! Referrals are our only form of advertising!

The pool is in great shape and we cannot wait to share it with everyone! Thank you and see you at the pool.

PLEASE PASS THIS ON TO AT LEAST ONE FAMILY OR FRIEND.
